OVER A CENTURY OF INNOVATION.

A. O. Smith enjoys a rich history of achievement. We are a global leader in water heaters. With this as our focus we celebrate a **140 years** of integrity, innovation and most importantly, customer satisfaction.

KEY FEATURES.

BLUE DIAMOND® GLASS LINING

Blue Diamond® technology increases the life of the inner tank. The lining is stronger and more corrosion resistant than any other in the industry.

TEMPERATURE CONTROL KNOB

The temperature control knob allows you to set the temperature anywhere between 25°C to 75°C.

THERMAL CUTOUT

If the water temperature exceeds the preset level, the thermal cut-out cuts off the power supply to assure safety.

SAFETY VALVE

The safety valve is designed to automatically relieve pressure and discharge water in case the pressure overshoots the preset limits.

LONGER WARRANTIES

7 years warranty on inner tank. 3 years extended warranty* on heating element and a comprehensive 2 year warranty. Warranty applies only if the water heater is purchased from our authorised dealer.

ENERGY SAVING

Bee 5 star rating. One of the most energy efficient⁰ water heaters you can buy.

⁰Applicable only for HSE-SAS 06 litres Model

*Extended Warranty

Registration of Extended Warranty (1 year or 2 years) is valid if customer registers the product within 60 days of purchase. Please call our toll free no. 1800-103-2468 / 1860-500-2468 or fill up the details in our website www.aosmithindia.com to register.
